## EDUCATION

JSS Academy of Technical Education, Bangalore ,India	Dec 2022 -2026
Bachelor of Technology, Computer Science Engineering (AIML).	CGPA(9.25) till 3rd semester
Carmel High School,Patna	May 2020- June 2022
PU College	84.5%
Carmel High School,Patna	March 2008- May 2020
X th	90.2%

## PROJECTS

- **PG- Life:** This is a project based on HTML, CSS and JavaScript to portray the available PG's in different locations.
- **Stock Prediction:** Harnessing machine learning to forecast stock prices, integrating historical data, market trends, and technical indicators for informed investment decisions.
- **Linear Regression Prediction Model:** Developing a machine learning algorithm to analyse relationships between variables and predict outcomes, aiding in decision-making across various domains
- **Titanic Classification:** Utilizing machine learning to predict passenger survival based on various features such as age, gender, and ticket class, contributing insights into historical events
- **Health Analysis:** Uses advanced NLP and machine learning to analyze health-related tweets, detecting trends and sentiments to inform public health initiatives and disease surveillance.

## TECHNICAL SKILLS

- **Tools:** Web Development, C , Java, HTML, CSS, JavaScript, Generative AI, Deep Learning, AI, DBMS, NLP, Data Analysis, React, MySQL, PHP, Python, C++, Graphic designing, Adobe Illustrator, UI/UX
- **Knowledge:** Object Oriented Programing, Data Structures, Competitive Coding, Machine Learning, Artificial Intelligence, Generative AI, Cybersecurity

## INTERNSHIP

Data science, CodeAlpha (April 1month)  
Graphic Designer, DTS( July 2023- October 2023)

## TRAINING AND CERTIFICATIONS

- Generative AI (July 2023):Microsoft
- Cybersecurity(Nov-Dec2023): Google
- web Development (July 2023): Internshala
- Data Science(Nov 2023): IBM
- Deep Learning(July 2024): Infosys Springboard
- AI & ML(Oct 2023): AWS

## EXTRACURRICULAR ACTIVITIES

- Currently working as a graphic designer in our college's Design team(ArtHouse).
- Art Minister of my school for four consecutive years. Won many awards till now.
